6193 Greater Altoona CTC, 1500 4th Avenue Altoona, PA 16602-3616 Phone: (814) 946-8450

CIP Code	Status	Date Submitted
47.0604 Automobile/Automotive Mechanics Technology/Technician	Re-Approved	7/8/2010
CIP Cluster	Program Type	Date Approved
Transportation, Distribution & Logistics	Program of Study	8/2/2010
Program Area	Registered Apprenticeship	Start School Year
Trade & Industrial Education	No	2010-2011

Program Information:

High Priority Occupations / Labor Market Data / Occupational Advisory Committee

CIP #47.0604 Automobile/Automotive Mechanics Technology/Technician. Students in this program have the opportunity to be involved in the Transportation, Distribution & Logistics Industry Cluster. The unemployment rate is 7.9% in Blair County; however, there is still a much-needed demand for automotive technicians. The median state wages in the Southern Alleghenies WIB are \$33,900 annually. The projected growth is 4%. This program will provide at least two letters of support from local employers who agree that the program prepares graduates to be qualified employees and the program meets their needs, as well as the needs of the community. The 12-member Occupational Advisory Committee, which last met on March 12, 2013, approves the pursuit of Program of Study approval for CIP 47.0604. Members include: Bob Spagnola, Svc. Mgr., Fiore Toyota-Volkswagen-Audi; Todd Mueller, Owner, Mueller's Auto Recycling & Repair; John Roan, Instructor, SCI Huntingdon; John Miller, Owner, Boyz Fabrication & Repair; Chris Hale, Svc. Mgr., Allegheny Trucks; Matt Crowley, Owner/Tech, All Star Auto Service; Ron Augustine, Mgr., Ward Asset Management; Paul Thompson, Mgr., Pepsi Company; Dave Henderson, Technician, Courtesy Ford; Jim Della, Owner, Reliable Towing; Anthony Gibbons, GACTC Instructor; Scott Dalby, GACTC Instructor.

Occupational Analysis Data / Student Technical Competencies:

This program offers the curriculum framework as prescribed by the program of study for the CIP code of 47.0604.

Accountability Targets:

47.0604 Automobile/Automotive Mechanics Technology/Technician – 2011-12 AYP Targets met: 1S1 Yes 1S2 Yes 2S1 Yes 3S1 Yes 4S1 Yes 5S1 Yes 6S1 No 6S2 No

Equipment and Technology:

Tools used in this occupation: Automotive exhaust emission analyzers, Brake repair kits, Drill bits, Hammers, Locking pliers, Organic light emitting displays, Pressure indicators, Pullers, Punches or nail sets or drifts, Screwdrivers, Specialty wrenches, Trim or molding tools, Voltage or current meters. Technology used in this occupation: Tool manufacturers' software.

Number of Prospective Students:

38

Special Education students who have applied to the GACTC are selected on the same criteria as those within the Regular Education realm which is based upon good grades, acceptable attendance, and appropriate behavior. For students with special needs, the support coordinators are able to scrutinize IEPs so that appropriate program selection accentuates student strengths and career interest avenues. The support coordinators support both teachers and students throughout the school year to ensure that specially-designed instruction modifications are being used in the regular education setting to facilitate student success within their vocational education experience.

Career & Technical Student Organizations:

Students in the Automotive Technology program are affiliated with SkillsUSA CTSO and have an active Chapter.

Advisory Committees

Local Advisory Committee: The Greater Altoona Career & Technology Center complies with all mandates of the state, federal, and accreditation bodies to maintain a Local Advisory Committee composed of representatives of education, industry, business, joint apprenticeship councils, labor, and management. The purpose of the committee, which has been in existence for nearly four decades, is to advise the school board and the administration concerning the general philosophy, objectives, and program needs of the school. The Local Advisory Committee of the Greater Altoona Career & Technology Center meets twice yearly. **Administrative Advisory Committee:** The Administrative Advisory Committee, consisting of the Superintendent of Record along with superintendents of the other seven member school districts, meet on a monthly basis to work with the Executive Director on educational matters concerning the center. The committee plays an integral part in the development of the center's Strategic Plan. All Superintendents of the participating school district serve on this committee. The Committee is authorized to form its own structure and schedule for meetings and to prepare whatever reports on recommendations it deems necessary for review by the Joint Operating Committee. The Chief School Administrator and the Executive Director serve as ex-officio members of all committees established by the Joint Operating Committee. **Joint Operating Committee:** The JOC, an 20-member body comprised of representatives from each of the eight sponsoring school districts, meets the fourth Monday of each month. For an institution governed by a Joint Operating Committee, the most obvious stakeholders are the eight sponsoring school districts. It is imperative that the director and school administration work in harmony with the Joint Operating Committee representing the eight school districts that make up the aggregated board. This institution is the only focal point where these eight school districts come to work together in the best interest of a substantial representation of their student population.
